- 5) During a jump ball, the ball becomes live when it is tapped.
- 6) The two-inch-wide coaching box lines shall be off the playing court and must contrast with the boundary lines.
- 7) During an alternating-possession throw-in by A1, B2 intentionally kicks the throw-in pass. A1 will be awarded a new throw-in opportunity, but the arrow will remain pointed in the direction of A's basket.
- 8) The ball remains live if time expires before A1 releases the ball on a try for goal.
- 9) Delay-of-game warnings are limited to one per team per game.
- 10) When free thrower, A1, purposefully fakes a try, it results in:
 - A technical foul assessed to A's head coach.
 - A violation on A1.
 - A team technical on Team A.
 - An unsporting technical on A1.
 - None of the above.

- 11) A team may use television replay equipment at halftime to review first-half action.
- 12) Rectangular backboards shall be padded on the bottom surface and up the side surfaces to a distance of 15 inches up from the bottom.
- 13) A multiple foul is a situation in which two or more teammates commit personal fouls against the same opponent at approximately the same time.
- 14) If airborne A1 passes the ball instead of shooting, and then illegally contacts B1, he or she has committed a team-control foul.
- 15) The ball becomes dead immediately when airborne shooter A1 commits a player-control foul.
- 16) The ball becomes dead if the throwing motion on a try for a goal by A1 started after B1 fouls A2.
- 17) A designated throw-in spot is 3 feet wide with no depth limitation.
- 18) Substitutions between halves may be made by:
 - A team representative.
 - The official scorer.
 - The public-address announcer.
 - The timer.
 - None of the above.
- 19) A team may be issued a delay-of-game warning following a time-out for water on the floor.
- 20) A jumper is required to be in his/her proper half of the center restraining circle during a jump ball, but is not required to face his/her own basket.
- 21) It is an alternating-possession procedure following a simultaneous free-throw violation.

 - It may be made of a hard material.
 - It must be worn molded to the face.
 - No protrusions are permitted.
 - Written authorization from a medical professional is required.
- 24) During an intermission, all team members are considered bench personnel for the purpose of penalizing unsporting behavior.
- 25) All of the following statements regarding officials' jurisdiction are true, EXCEPT:
 - Jurisdiction begins prior to the game when the officials arrive on the floor.

- Jurisdiction extends through periods when the game may be momentarily stopped for any reason.
 - Jurisdiction is terminated when all officials leave the visual confines of the playing area.
 - Jurisdiction ends when the referee approves the final score.
 - Officials shall arrive on the floor at least 15 minutes before the scheduled starting time of the game.
- 26) It is an alternating-possession throw-in when the ball becomes dead and neither team is in control and no goal, infraction or end of a period is involved.
- 27) An intentional foul is judged solely by the severity of the act.
- 28) The ball is awarded for a throw-in at a designated spot nearest the foul after any player-control or team-control foul.
- 29) A situation in which there are fouls by both teams, the second of which occurs before the clock is started following the first, and such that at least one of the attributes of a double foul is absent is known as:
- A multiple foul.
 - A double foul.
 - A simultaneous foul.
 - An intentional foul.
 - A false double foul.
- 30) The free throw starts when the ball is released on the try.
- 31) A situation in which two or more teammates commit personal fouls against the same opponent at approximately the same time is known as:
- A multiple foul.
 - A double foul.
 - A simultaneous foul.
 - An intentional foul.
 - A false double foul.
- 32) During a free throw, a player in a marked lane space is permitted to break the vertical plane of any boundary line with a foot, provided that foot does not subsequently make contact with the court outside the marked lane space.
- 33) The third indirect technical foul charged to the head coach results in disqualification and ejection.

- 34) A technical foul assessed to a team's athletic trainer is also charged indirectly to the head coach and results in four free throws.
- 35) A head coach who is ejected in the first half must leave the vicinity of the playing area immediately, but may go to the locker room to coach the team at halftime.
- 36) When an injured player who must be withdrawn has been awarded a free throw(s) as a result of a personal foul, any substitute or player of the offended team may attempt the throw(s).
- 37) Points scored prior to the recognition of an error cannot be nullified, even though the error is subsequently corrected.
- 38) During a dribble from backcourt to frontcourt, the ball is in A's frontcourt if one of dribbler A1's feet is on the division line and the other foot and the ball are touching in A's frontcourt.
- 39) A simultaneous violation is called if offensive players occupy the first marked lane spaces and defensive players occupy the second marked lane spaces during the free throw.
- 40) Once a designated spot throw-in begins, the original thrower may be replaced by a teammate to attempt the throw-in.
- 41) A school or conference logo/mascot may be located on the team jersey in all of the following areas, EXCEPT:
- Part of the number on the front or back of the jersey.
 - On the back of the jersey in the corresponding area to the apex/opening of the neckline.
 - On the front of the jersey at the apex/opening of the neckline.
 - In the side insert(s).
- 42) The throw-in is at the designated spot nearest the violation after a goaltending violation by B1.
- 43) If Team A is charged with a technical foul before the game starts, Team B will have the first throw-in opportunity and the first arrow under the alternating-possession procedure.
- 44) The head coach is assessed one direct technical foul for each player discovered in the game wearing an illegal uniform.
- 45) The referee has the authority to prohibit players from wearing equipment that is inappropriate or confusing to other players.
- 46) The resumption-of-play procedure may be used when the throw-in team fails to make a thrower available.
- 47) The ball becomes dead when a personal foul by A2 occurs while the ball is in flight during a try for a field goal by A1.
- 48) All of the following describe general duties of any game official, EXCEPT:
- Make decisions on any points not specifically covered in the rules.

- Administer penalties.
 - Grant time-outs.
 - Put the ball in play.
 - Beckon substitutes to enter the court.
- 49) All of the following are ruled correctable errors, EXCEPT:
- Failure to award a merited free throw.
 - Erroneously awarding the ball to the wrong team for a throw-in.
 - Permitting a wrong player to attempt a free throw.
 - Attempting a free throw at the wrong basket.
 - Erroneously counting or canceling a score.
- 50) What type of penalty is assessed when a player leaves the playing court for an unauthorized reason to demonstrate resentment, disgust or intimidation?
- A technical foul
 - An intentional foul
 - A flagrant foul
 - A double foul
 - A common foul
- 51) To correct an error it must be recognized by an official during the first dead ball after the clock has properly started.
- 52) The alternating-possession procedure is used when a double personal foul is called while A1's successful try is in flight.
- 53) A technical foul is charged directly to the head coach if a player participates after being removed from the game for being disqualified.
- 54) Hard and unyielding items on the upper arm or shoulder must be padded with:
- A closed-cell, slow-recovery foam.
 - One-inch thick padding.
 - Athletic tape.
 - A gauze pad.
 - A rubberized material.
- 55) An official shall immediately remove a player from the game who exhibits the following signs or symptoms of a concussion:
- Dizziness.

- Confusion.
 - Headache.
 - Loss of consciousness.
 - All of the above.
- 56) No free throws are awarded when opponents commit simultaneous personal fouls.
- 57) Contact after the ball has become dead is ignored, unless it is ruled intentional or flagrant, or committed by or on an airborne shooter.
- 58) Neither jumper shall leave the center-restraining circle until the jump ball has been touched
- 59) The length of each extra period shall be half the time of a regulation quarter for subvarsity contests.
- 60) A ball is at the disposal of a player in all of the following situations, EXCEPT:
- Handed to a thrower or free thrower.
 - Caught by a player after it is bounced to him/her.
 - Placed on the floor at the spot.
 - Available to a player after a goal and the official begins the throw-in count.
 - Bounced to a thrower or free thrower.
- 61) Teams shall change baskets for each extra period played.
- 62) Any player who exhibits signs, symptoms or behaviors consistent with a concussion shall not return to play until cleared by:
- The head coach.
 - A parent or guardian.
 - The athletic director.
 - An appropriate health-care professional.
 - All of the above.
- 63) A team is in control of the ball in all of the following situations, EXCEPT:
- When a player is holding the ball.
 - While a live ball is being passed among teammates.
 - During an interrupted dribble.
 - When a try for goal is in flight.
 - When a player is dribbling the ball.

- 64) When the referee tests the ball for proper air pressure, the test shall be conducted on the playing court surface.
- 65) The ball is in A's backcourt when A1 holds the ball straddling the division line and then pivots on the foot which is in A's frontcourt.
- 66) Extra periods are an extension of the fourth quarter.
- 67) If Team A has the throw-in to start the third quarter, Team B will automatically have the throw-in to start the fourth quarter.
- 68) Logos, markings, lettering, etc., are prohibited on the backboard, but are permitted on the backboard padding and basket.
- 69) No penalty is assessed if a player uses inappropriate language that is not directed toward an opponent or an official.
- 70) A team must begin the game with five players.
- 71) If A2 and B2 simultaneously control the opening jump ball, another jump ball between any two opponents in the center circle results.
- 72) When the ball is awarded to the wrong team for a throw-in, in order for it to be corrected, it must be rectified:
- Before the throw-in ends.
 - Before the ball is handed to the thrower.
 - Before the ball is bounced to the thrower.
 - Before the ball is released by the thrower.
 - Before the official blows the whistle.
- 73) An unsporting foul may be a personal foul.
- 74) The head coach is assessed a direct technical foul when a disqualified player is removed and is subsequently discovered participating in the game.
- 75) When a technical foul is also charged indirectly to the head coach, it counts only as one team foul.
- 76) If B1 intentionally fouls A2 during A1's successful unmerited free throw and the free throw is subsequently canceled because the error is corrected, B1's foul is also canceled.
- 77) Headband and wristband colors worn by a team that are always permissible include all of the following, EXCEPT:
- White.
 - Black.
 - Pink.

- Beige.
- Any single solid school color.

- 78) In order to correct an error made with the clock running and the ball dead, the error must be recognized before the first live ball after the error.
- 79) If the referee determines that the clock was not started or stopped properly, or if the clock did not run, an official's count or other official information can be used to make a correction.
- 80) The act of shooting starts when A1 begins the motion which habitually precedes the release of the ball on a try for goal.
- 81) Knee and ankle braces that are unaltered from the manufacturer's original design/production are permitted and do not require any additional padding/covering.
- 82) Game management shall designate the location of each team's bench.
- 83) Following the initial jump ball, if A2 muffs the tapped ball and it goes out of bounds, the alternating procedure starts when the ball is placed at the disposal of the Team B thrower.
- 84) The game ends if, at the end of any extra period, the score is not tied.
- 85) It is a violation if A1's throw-in from outside the end line near A's basket is caught by A2 in A's backcourt.
- 86) A substitute throw is awarded if B1 disconcerts free thrower A1 but the attempt is successful.
- 87) The ball becomes dead immediately if A1's try for a field goal is in flight when B1 excessively swings arms or elbows without making contact.
- 88) If a substitute enters illegally, he/she becomes a player after the ball becomes live.
- 89) A player in a marked lane space shall position one foot near the outer edge of the free-throw lane line.
- 90) Players occupying marked lane spaces may move in or out of such spaces after the ball has been released by the free thrower.
- 91) A1's free throw ends when A2 commits a lane violation.
- 92) The head coach is assessed a direct technical foul if team members are permitted to leave the bench area and/or playing court for an unauthorized reason.
- 93) A ball which is in flight retains the same status it had when last in contact with a player or the court.
- 94) No violation has occurred when B1, in a marked space, loses his/her balance and touches inside the lane with both hands prior to A1's release of a free-throw attempt.

- 95) A ball that is in contact with two players is in the backcourt if either player is touching the backcourt.
- 96) While a player is attempting the free throws awarded for a technical foul, the other nine players must be behind the division line, in the offended team's backcourt.
- 97) The ball becomes dead immediately if A1's try for a field goal is in flight when B1 commits a violation for leaving the floor for an unauthorized reason.
- 98) All of the following statements are true regarding a closely-guarded situation, EXCEPT:
- A closely-guarded count continues during an interrupted dribble.
 - A closely-guarded count only takes place in a team's frontcourt.
 - A violation occurs when a dribbling player is closely guarded for five seconds.
 - The closely-guarded distance is measured from the forward foot/feet of the defender to the forward foot/feet of the ball handler.
 - The closely-guarded count continues when there is a defensive switch, provided the six-foot distance is maintained.
- 99) The ball is live and A1's basket shall count if successful when B1 fouls A2 just as A1's shooting motion begins.
- 100) The referee may not permit a game to continue if either team has only one participating player.
