## GENERAL BASEBALL REGULATIONS

**NOTE: ALL NEW RULES, REGULATIONS, AND POLICIES ARE UNDERLINED.**

### I. RECOMMENDATIONS TO ADMINISTRATORS OF ATHLETIC CONTESTS

- A. It is recommended that an administrator of all athletic contests meet with the game officials prior to the contest advising them of the game time, dressing facilities, pre-game and half-time activities, etc. The game administrator should also record the official's ID number. After the officials enter the field or court, the administrator in charge should advise the head official as to where the game manager will be during the contest(s) should a problem arise.
- B. Someone should be designated to meet the officials to assure their safe return to the dressing room after the contest.
- C. This applies to regular season as well as play-off contests.

### II. CRITERIA USED IN BASEBALL PAIRINGS

- A. Coaches state ratings will be used in pairing and seeding the play-off tournaments in all classes. (NOTE: If the coach feels the ratings are inaccurate to the point of disadvantaging a team, he should notify the OSSAA office prior to the release date for playoff pairings.) Coaches are expected to participate in the ranking process on a weekly basis throughout the season.
- B. Records will be considered when teams are not rated.
- C. Geographics will be a consideration when pairing the baseball tournaments.

### III. ACADEMIC ACHIEVEMENT AWARDS

- A. Spring baseball teams will be eligible for an academic achievement award. The 22 players in Classes 6A-5A-4A-3A-2A-A and B (include all players suiting up if the number is less than 22) who suit up for the first district/regional tournament game will be eligible. The GPA shall be based on the preceding semester. (Non-traditional semester: an approximate 18-week grading period used to divide the school year in half.) The academic GPA will be based on a 4.0 point system and computed to the nearest thousandth. There will be three levels of awards for academic achievement:
  1. Academic Achievement Certificate - Teams must have a minimum 3.25 GPA and rank in the upper 1/3 of their classification to qualify.
  2. Distinguished Academic Plaque - Teams must have a minimum 3.50 GPA and rank in the upper 10% of their classification.
  3. State Academic Champion - The team with the highest GPA will be declared the State Academic Champion.
- B. A team's won-lost record is no longer considered in determining the academic championship.
- C. The entries must be postmarked no later than April 26 or faxed no later than April 27 for Classes A and B; May 3 or faxed no later than May 4 for Classes 2A, 3A, 4A, 5A and 6A.
- D. **The Application for Academic Achievement Award is located in the 2009-2010 Entry Form and Application Booklet which can be found in your principal's or athletic director's office.**

### IV. PITCHING

- A. A pitcher may pitch a full game of any length in a day. If he pitches less than six innings in a game, he may pitch in a second game that day, but he may not pitch more than a total of ten innings in the two games. (NOTE: A pitcher who pitches five innings in the first game and makes an appearance in the second game the same day shall not be eligible the next day.) An appearance during an inning shall count as a full inning. The pitcher taking the mound and the ball becoming live constitutes an appearance. A player who has pitched six innings or more in a day shall not be used as a pitcher the following day. A player who has pitched five (5) innings or less in a day is eligible to pitch the next day, with the same restrictions as a player who had not pitched. (Example: In a double header, a pitcher may go 1-9, 2-8, 3-7, 4-6, 5-5, but cannot go 6-4, 7-3, 8-2, 9-1, in the same day.) A pitcher may not appear in 3 games in any one day.
- B. NEXT DAY INTERPRETATION - Next day will begin at daylight the morning following the game and will last until daylight the next day. (EXAMPLE: Game played at 5:15 p.m., Thursday. Pitcher will not be able to throw again until daylight, Saturday.)
- C. There will be no change made in the pitching rule and each coach is responsible for knowing the rule. In play-off tournaments, the official scorer should have the coach sign the scorebook at the end of each game if their team will be playing another game in the tournament. Also, the tournament manager shall post a record of all innings pitched the previous day in the press box. This shall be done prior to games the next day. The OSSAA will be the only one who can declare a forfeit. (Regulation) The coach should go directly to the scorer immediately after the game and sign the book before talking to the press or anyone other than his team.
- D. The pitching regulations shall apply to regular season games as well as tournaments and any violation of such rule constitutes game forfeiture. (NOTE: The game is a forfeiture at the time of the pitching rule violation. By mutual agreement the game may continue to its normal conclusion with the outcome already decided.)

### V. PRACTICE

Practice or competition in athletics will not be allowed on a site after the site has been announced in any play-off activity except for a regularly scheduled contest or the host school may practice at the site if that is the team's regular practice site.

**VI. GENERAL REGULATIONS**

- A. No games will be counted for the purpose of rating or seeding for the baseball playoffs if the games are less than a complete game according to National Federation baseball rules. Rated teams are seeded higher than non-rated teams.
- B. Coaches are required to submit a season record form (located in this manual) for the first round play-off games. Classes 2A, 3A, and 4A submit record form to regional manager.
- C. The OSSAA can move play-off tournaments to an adequate available field if weather delays the tournament to Monday after the tournament was scheduled to be completed.
- D. Teams that forfeit games during the regular season or playoffs without valid reasons could be subject to penalties by the OSSAA Board of Directors.
- E. Schools interested in hosting baseball play-off tournaments should complete the site request form. The site request form is located in the 2009-2010 Entry Form and Application Booklet which can be found in your principal's or athletic director's office.
- F. A student's current scholastic eligibility status would not change if an OSSAA play-off contest were delayed into the next week due to inclement weather or other extreme circumstance.
- G. A regular season designated JV game shall not be counted on a team's record unless a JV team has entered an invitational tournament.

**VII. DISTRICT TOURNAMENTS**

- A. Teams may be added to a district due to late entries or a school deciding not to participate.
- B. The tournaments shall be played in one day or two consecutive days unless weather conditions dictate otherwise.
- C. Tickets will not be furnished for the district tournament.
- D. The host school should charge \$5.00 for adults and \$5.00 for students.
- E. Trophies for district tournament winners will be sent from Midwest Trophy Company.
- F. When a deficit occurs in district tournaments, the Association will reimburse the host school 50% of the loss after gate receipts are subtracted from the cost of baseballs and umpires. Tournament management should refer to Section X - OSSAA Play-off Tournaments.
- G. District winners should contact the Association office after completion of the tournaments.
- H. Coaches must submit the regular season record form (located in this manual) at the district or regional meeting.

**VIII. REGIONAL TOURNAMENTS**

- A. Regional tournaments shall be double elimination. Regional tournaments in all classes will be seeded using the coaches' state ratings.
- B. Tickets will be sent to the host school from the OSSAA. Admission prices will be \$5.00 for adults and \$5.00 for students.
- C. Trophies will be sent from Midwest Trophy Company.
- D. Tournament management refer to Section X - OSSAA Play-off Tournaments.
- E. When a deficit occurs in regional tournaments, the Association will reimburse the host school 75% of the loss after the gate receipts are subtracted from the cost of the baseballs and umpires.
- F. In Classes B, A, 2A, 3A, and 4A regional tournaments, the host school manager shall immediately contact the visiting schools concerning officials to be employed for the regional baseball tournament. The visiting schools shall contact the host manager concerning the assignment of regional officials. These contacts must be made as quickly as feasible after the regional tournament pairings are released from the OSSAA.

**IX. SUSPENDED GAME AND GAME ENDING PROCEDURES**

A regulation high school baseball game ends when the team behind in score has completed its turn at bat in the seventh inning, or any inning thereafter if extra innings are necessary. The National Federation now allows states to adopt game-ending procedures for baseball. By Oklahoma adoption, games can be shortened by the following:

- A. After five innings of a seven inning game, a team ten (10) or more runs behind has completed its turn at bat. (NOTE: If the home team is ahead ten (10) or more runs a game can end after 4½ innings.)

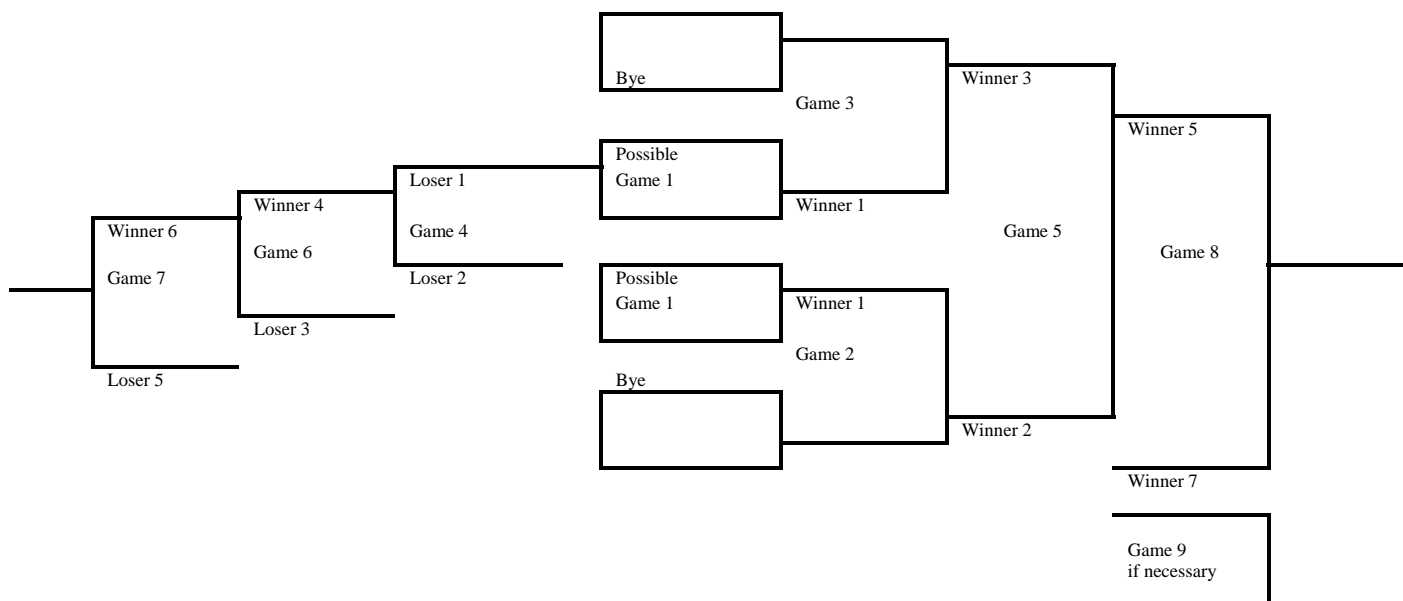

- B. If weather, darkness or other circumstances interfere with play so that a play-off tournament game is called (ended) by the umpire, it is a regulation game provided: (a) five full innings have been played; or if the home team has scored a greater number of runs in four or four and a fraction turns at bat than the visiting team has scored in five turns; or (b) play has gone beyond five full innings and is called when the teams have not had an equal number of completed turns at bat. The score shall be the same as it was at the end of the last completed inning: unless the home team, in its half of the incomplete inning scores a run (or runs) which exceeds the opponent's score, in which case, the final score shall be recorded when the suspended is called. Otherwise, it will be a suspended game. A suspended game shall continue from the point of suspension on the earliest possible day, with the line up and batting order for each team the same as it was at the time of suspension. The pitching rule remains intact during a suspended game.
- NOTE EXCEPTION:** State tournament games will be regulation (7) inning games, unless the run rule is in effect. Otherwise, it will be a suspended game. A suspended game shall continue from the point of suspension on the earliest possible day, with the line-up and batting order for each team the same as it was at the time of suspension. The pitching rule remains intact during a suspended game.
- C. Any further play may be shortened according to National Federation Rules.

**X. OSSAA PLAY-OFF TOURNAMENTS**

The following criteria will be used in baseball contests that are OSSAA play-off tournaments when brackets are drawn at the district tournament level. NOTE: No team shall be seeded that has not played at least 15 games.

1. Three Teams - Rate and seed the teams' percentage records of games won and lost. The team with the best record will be placed on the top of the bracket. The team with the second best record will be placed on the bottom of the bracket. The team with the best record receives the bye, placing #2 against #3.
2. Four Teams - Rate and seed the teams on a percentage of games won and lost. The team with the best record will be placed on the top of the bracket. The team with the second best record will be placed on the bottom of the bracket. The team with the best record will choose between the third and fourth best record to be placed on their side of the bracket, automatically placing the other team. If a school withdraws from the tournament creating a bye in the second round, the bracket should be re-drawn.
3. A three team double elimination bracket shall be played in the following manner:  
 Team A will be the team with the best record and they will receive the bye.  
 First day of tournament:  
 Game 1 - Team B plays Team C  
 Game 2 - Loser Game 1 plays Team A  
 Game 3 - Winner Game 1 plays Team A  
 Second day of tournament:  
 Game 4 - If one team has one loss and one team has no losses, they play.  
 Game 5 - If necessary  
**OR**  
 Game 4 - If all teams have one loss, Team B plays Team C.  
 Game 5 - Winner Game 4 plays Team A
4. Five team format – An eight-point bracket shall be used. Rate and seed two teams on a percentage record of games won and lost with one to be placed on the top and bottom of the bracket, respectively, by record. The team with the best record will choose between the third and fourth best record to be placed on line #4 in the top of the bracket, which automatically places the other team on line #5 in the bottom of the bracket. The fifth best record shall choose line #3 or line #6.
5. Rated teams are seeded higher than non-rated teams.

**FIVE TEAM BRACKET**

The tournament shall be played in the following manner:

- Games 1, 2, 3, and 4 on the first day of the tournament.
- Games 5, 6, and 7 on the second day of the tournament.
- Game 8 and Game 9 (if necessary) on the third day of the tournament.
- Game #2 should be between the two teams that received first round byes.
- Game #3 should be between the winner of game #1 and the other team receiving the bye.
- Game #4 should be between the loser of game #1 and the loser of game #2.
- Game #5 should be between the winner of game #2 and the winner of game #3.
- Game #6 should be between the winner of game #4 and the loser of game #3.
- Game #7 should be between the winner of game #6 and the loser of game #5.
- Game #8 should be between the winner of game #5 and the winner of game #7.
- Game #9 – If necessary

5. Teams may be added to a district due to late entries or a school deciding not to participate. If teams withdrawing from playoff tournaments create byes in the second round of the tournament, the tournament shall be re-drawn.
6. Beginning with the REGIONAL tournaments, tickets will be furnished by the Association. After local expenses are paid the remaining monies should be sent to the Association.
7. The umpires shall be employed and paid by the host school. The host school shall also furnish the balls.
8. In all play-off tournaments, except the state tournament, the tournament manager is responsible for employing the umpires. The regional host school manager shall immediately contact the visiting schools concerning officials to be employed for the regional baseball tournament. The visiting schools shall contact the host manager concerning the assignment of regional officials. These contacts must be made as quickly as feasible after the regional tournament pairings are released from the OSSAA.
9. All umpires used in team games, any tournaments or any state elimination games are to be enrolled and in good standing in the Association. Only umpires with certified ratings are to be used when feasible. Umpires who have applied for enrollment and passed Part I of the baseball examination are furnished a membership card for the current school year as proof of eligibility. Only two umpires are to be used in districts and regionals. The schools should keep a game-by-game report as the baseball season progresses and immediately after the close of the season, forward the Report on Officiating for baseball to the Association office.
10. Only two umpires per game will be used in play-off games.
11. The National Federation Baseball Rules will govern in all contests. THE ASSOCIATION HAS ADOPTED THE FOLLOWING REGULATIONS:
  - a) Uniforms are strongly recommended for players and coaches.
  - b) Designated Media Area - National Federation Baseball Rules require the home team or game management to designate a lined area for the media. This area shall be considered a dead ball area. This rule also prohibits media from being in a live ball area. (Rules 1-2-3) The OSSAA is asking each host site to cooperate with the media and provide a designated area. We also recommend the area be marked between home and first or third base in an area that enables adequate media coverage. We realize each park is built different and the above recommendation may not be feasible. An area that affords the best possible coverage with the least possibility of an interference situation should be selected.
12. Radio broadcasts will be permitted without a fee for the 2009-2010 season during the playoffs.
13. One of the calculated risks that a coach must accept is that he, his players, or the umpires may make mistakes during the course of the ball game. The OSSAA Board of Directors has established a policy of NOT HONORING A PROTEST based upon a rule situation nor a situation, which involved judgments on the part of the umpires.
14. In addition to the Activities Association sponsored championship tournament series, teams and/or individuals shall be limited to not more than the number of match games and tournaments as established by the OSSAA Board of Directors. This regulation shall apply separately to fall and spring baseball seasons. Outside of tournament games, each game played shall be counted as a match game. Junior high teams shall be limited to the number of match games and tournaments as established by the OSSAA Board of Directors. For the 2009-10 baseball season teams shall be limited to not more than 22 match games plus 3 tournaments. Junior High teams are limited to 14 match games and 2 tournaments. Junior High teams may play a third tournament if the regular season schedule is reduced by 3 games. A 9<sup>th</sup> grade student is eligible to participate on both the junior high and senior high team but is limited to 3 tournaments. In a pool play tournament, if there is an opportunity to play two or more games after the conclusion of pool play, then all pool play games shall count against the regular season limitations. For fall baseball, no team shall be permitted to scrimmage in baseball after August 11 or after that schools season opens if school begins before August 11 without being charged a game for each scrimmage. For spring baseball, no team shall be permitted to scrimmage another school in baseball after the state basketball tournament for that particular class without being charged a game for each scrimmage. No instructional time will be lost because of travel to a scrimmage or because of the scrimmage itself. A scrimmage is defined as a competition against another school without the use of umpires, charging admission, or keeping records, such as scores, etc.
15. Round robin tournaments will not be approved when more than four teams are involved.
16. When play-off tournaments are delayed, teams are expected to play two games in one day in order that a representative be determined as early as feasible. In an emergency situation Sunday afternoon shall be used unless your school does not allow Sunday play. Sunday play can begin after 2:00 p.m. Teams may play three games in one day by mutual agreement.
17. All play-off tournaments must be played in one day or consecutive days unless weather conditions dictate otherwise. Schools are encouraged to complete the tournament(s) as early in the tournament week as possible.
18. Graduations, proms, banquets, etc., should not be scheduled to conflict with the playoffs. All state tournament qualifiers should send the OSSAA office an end-of-school calendar detailing proms, banquets, graduations, senior trips, etc. All conflicts may not be avoided, but every effort will be made to accommodate as many schools as possible when the state tournament is delayed because of inclement weather.
19. There will be no delay in starting OSSAA play-off tournaments if the previous play-off tournaments are completed.
20. The tournament chairman shall furnish at least a No. 2 grade baseball in the playoffs, which is to be used throughout the tournament. Reebok is the official ball for all OSSAA baseball playoff contests.

21. Trophies will be awarded to the winners of the district tournaments, winners and runners-up of the fall regional tournaments, winners of the spring regional tournaments, and to the winner and runner-up at the state tournament. Individual awards will be given to members of the State runner-up and championship teams.
22. Both teams shall remain on the field until ALL award presentations have been completed.
23. Tobacco shall not be used by players, coaches, or umpires while on the field during the playing of games.
24. Please see the Athletic Director or Principal for precautionary recommendations regarding AIDS and Hepatitis B.
25. Teams are restricted to a ten (10) minute time limit during all playoff games for infield practice.
26. Teams are restricted to their dugout area while the opposing team is taking infield practice.

#### **XI. TEAM MEMBERS LEAVING BENCH OR DUGOUT AREA, ETC.**

- A. The OSSAA Board of Directors at their April 19, 1995, meeting adopted the following definition of fighting for all OSSAA sponsored activities: "Fighting is defined, but is not limited to, any player or non-player (bench personnel) striking an opponent with arm(s), leg(s) foot (feet), or other object(s); attempting to strike an opponent with arm(s), leg(s), foot (feet), or other object(s), regardless if there is contact with an opponent; or instigating a fight by committing an act(s) that causes an opponent to retaliate by fighting related to an OSSAA sponsored activity in which the players and non-players are participating. A player or non-player who retaliates by fighting is in violation of the fighting rule. The fighting rule will apply to pre-contest and post-contest sponsored activities."
- B. Any substitute or team member who leaves the team bench (football player leaving the team box, baseball or softball player leaving the dugout, basketball player or wrestler leaving the team bench, etc.) and enters the playing area during a fight or any other serious unsportsmanlike act shall be ejected. Those players or team members identified by game officials, school administrators, or video tape will be suspended a minimum of one game if they were not involved in the altercations and a minimum of two games if they were involved in the altercation. This rule applies to both regular season and play-off games. The suspension applies to individuals/teams on the same level of competition; i.e., varsity to a varsity game, junior varsity to a junior varsity game, etc. Any additional penalties by the National Federation Rule Book and the OSSAA Rules and Regulations Handbook would also apply. The rule would apply to all OSSAA sponsored activities.
- C. Any student involved directly or indirectly for fighting or any other serious unsportsmanlike act a second time during the season shall be suspended for the remainder of the season.
- D. It is mandatory that all head coaches remind his/her team that fighting during the post game hand shaking ceremonies or conducting themselves in an unsportsmanlike manner after the game will be severely penalized. The head coach and team will be subject to additional suspension penalties beyond the normal penalties imposed on fighting and unsportsmanlike acts that occur during the contest. Injuries have occurred because of fans climbing over walls and fences, being trampled, or participating in dog-pile celebrations, etc. at the conclusion of a contest. Therefore, school administrators should be aware that if their student body and fans come onto the playing area after a contest, penalties may be imposed.

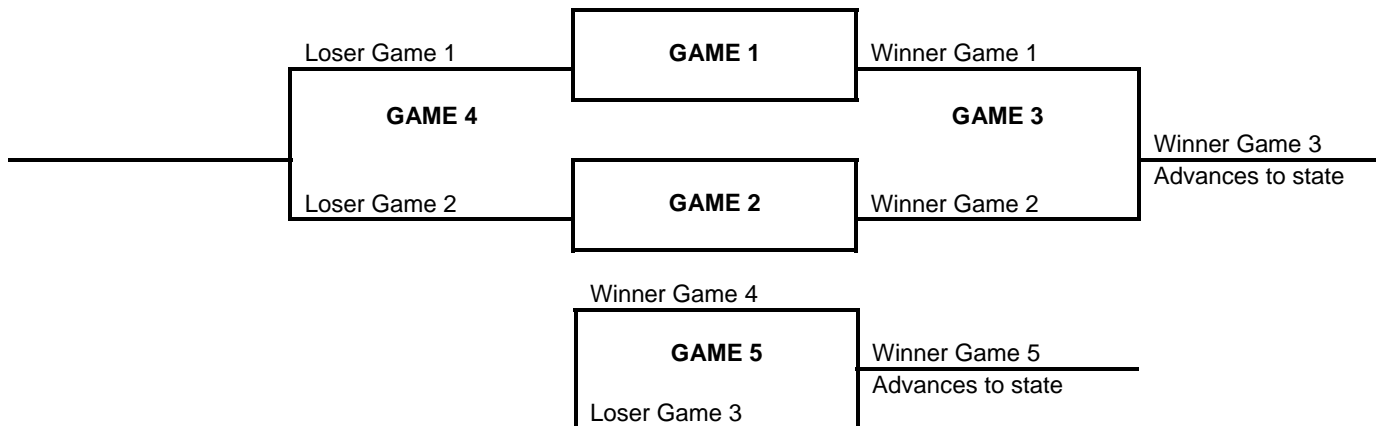

#### **XII. COACHES CONDUCT**
